F. Compensation for Faculty Chairs: The following compensation formula for faculty chairs will take effect in the 2017-18 academic year:

1. **Formula for faculty chair reassigned time and extra days**

- a. Faculty chair reassigned time is assigned every August 1, based upon the total teaching faculty FTEF in the Chair's area, including full-time equivalent adjunct faculty, excluding overload.
- b. Chair assignment will be compensated from August to July. Extra duty days will be scheduled between August 1 and July 31. Chairs who fail to complete the 185-day contract will receive a proportional year of retirement service credit.

Formatted: Top: 0.88"

Article 5 FACULTY AREA CHAIRS AND FACULTY DIRECTORS (continued)

- c. All regular teaching assignments shall be part of the regular workload.
- d. To the extent possible, reassigned time will be moved to overload. Any extra pay a chair receives for overload will remain the same regardless of how a chair's assignment is loaded. (See example below.)

A department chair has 60% (0.6 FTE) reassigned time and is teaching three classes that are 3 units each. The department chair's teaching assignment will be made as part of load (POL) and loaded first. The department chair's reassigned time will be loaded afterwards.

Assignment	Base	Load Hrs	POL Hrs	XP Hrs	POL FTE	XP FTE	XP Comp
Class #1	15	3	3	0	0.2	0	\$0
Class #2	15	3	3	0	0.2	0	\$0
Class #3	15	3	3	0	0.2	0	\$0
Dept. Chair	40	24	16	8*	0.4	0.2	\$3,150
*8 hours at 40-hour base would translate to 3 hours LHE (8 x 0.375) which would yield the same extra pay as 3 hours at a 15-hour base (Article 11 – Appendix E)							

- e. The chair formula shall discontinue the minimum reassigned time for Porterville College and Cerro Coso Community College. This will be replaced with all chairs at Porterville, Cerro Coso, and Bakersfield colleges receiving .1 reassigned time as part of the formula calculation.
- f. Counseling and Library chairs will each have .1 reassigned time. If both chairs are in the same division/department, the division/department chair will receive a total of .2 reassigned time for librarians and counselors. Counseling and Library chairs will receive 10 extra days above those assigned to regular faculty counselors and librarians.
- g. Professional experts shall be included in the calculation of reassigned time for faculty chairs for Allied Health/Nursing division/departments on an 18-hour base. Whenever direct supervision of professional experts is added to a chair's duties, the impact on chair-reassigned time shall be negotiated.
- h. Cerro Coso chairs will be paid the portal-to-portal rate as stated in the current collective bargaining agreement for hours spent driving for chair-related duties at any campus, center, or other teaching site more than fifteen (15) miles from his or her regular teaching location. ~~(For example, this rate is eight dollars (\$8) per hour in the 2014-17 CBA.~~ See Article 11, Appendix ~~DE~~, Other Non-Contract Services.) Chairs should submit the required travel and mileage forms on a monthly basis.
- i. Reassigned time will be recalculated before March 1 each year adding the previous calendar year's spring, summer, and fall FTEF and dividing by two (2). For any department or division undergoing reorganization, reassigned time will be

Article 5 **FACULTY AREA CHAIRS AND FACULTY DIRECTORS** (continued)

calculated within a reasonable time after the reorganization has been approved by the college process including Administration, the Academic Senate and the Association. (See the table below for an example.)

FTEF Determination			
Spring	Summer	Fall	Full Year
10.3256	1.4370	9.8984	10.8305

j. The following table is used for reassigned time distribution:

up to 3	0.2
>3 to 10	0.3
>10 to 13	0.4
>13 to 17	0.5
>17 to 22	0.6
>22 to 28	0.7

k. Extra Days

- 1) Each faculty chair is assigned a base of ten (10) extra days and paid on the one-hundred-eighty-five-day (185-day) faculty schedule including one (1) day for each summer FTEF, which is paid on the per diem rate. [For instance, in the example above, the faculty member would receive ten (10) base days + one (1) day for the summer FTEF, totaling eleven (11) days.]
 - 2) Extra duty days beyond the one-hundred-eighty-five-day (185-day) base will be paid at the per diem rate, which is calculated at the one-hundred-seventy-five-day (175-day) annual salary divided by one hundred seventy-five (175). These days will be assigned annually based upon the employee’s contract. The schedule of extra duty days beyond the one hundred seventy-five (175) contract days shall be determined by the supervising educational administrator in consultation with the faculty chair.
 - 3) Extra days will be calendared in consultation with the educational administrator.
 - 4) Chair training will be incorporated into the base days.

ARTICLE SIX - EVALUATION AND TENURE OF FULL-TIME FACULTY

A. Purpose

Quality faculty are essential to the academic excellence of an institution. Therefore, it is a mutual expectation of faculty and administration that regular and on-going feedback be provided to faculty regarding job performance.

To ensure that quality teaching and support services remain the core ingredients in undergraduate education, the faculty evaluation process:

1. Focuses on professional growth, recognition, and improvement by identifying and providing instructional resources for support of individual faculty goals and growth.
2. Promotes faculty service (e.g. community, committee, professional activities).
3. Facilitates the accomplishment of individual faculty objectives linked to departmental, program, and institutional missions and goals.
4. Assesses the performance of the full scope of all assigned duties according to the job assignment and relevant professional standards.
5. Provides the basis for retention and tenure decisions.

B. Requirements

1. **Uniform and Consistent:** There shall be a uniform and consistent evaluation policy for all faculty as specified in the procedures and forms within this agreement. Committee members shall be tenured to ensure consistency and uniformity in how faculty are evaluated. Where there are not sufficient department/program area members to serve on a committee, faculty from other disciplines may serve as committee members. This requirement for tenured committee members may be waived upon mutual agreement between CCA and KCCD.
2. **Truthful and Accurate:** Evaluation information shall be truthful and shall not include unsubstantiated information including rumors, gossip, or anonymous information of any kind. Information shall not be obtained through the use of sources such as electronic media, listening or recording devices without the written permission of the faculty member.
3. **Limited to Contractual Duties:** Faculty will be evaluated only on contractual duties. Faculty chair evaluations are addressed separately in **Article 5** and are unrelated to tenure and retention decisions.
4. **Based on Performance not Technology:** A distinction shall be made between faculty performance and technological failure. Malfunctions of instructional equipment shall not adversely affect the evaluation.
5. **Timely:** All participants are cognizant of the importance of immediate formative feedback and are committed to providing feedback rapidly and completing the process in a timely manner.

Article 6 **EVALUATION AND TENURE OF FULL-TIME FACULTY** (continued)

6. **Content is not Grievable:** The content of evaluations collected in a manner consistent with this Article shall not be grievable.
7. **Allows for Faculty Response:** Faculty evaluatees shall have two opportunities to respond in writing during the evaluation process. At the Evaluation Summary Meeting, faculty members will sign a statement that acknowledges evaluation findings have been presented to them and they have 10 working days to respond to the committee's findings. After receiving an electronic copy of the fully executed evaluation, the faculty member shall have 10 working days to respond to any additional administrative comments on the faculty evaluation coversheet.

C. Process

1. **Criteria:** Because faculty assignments are diverse, evaluation criteria appropriate to the assignment shall be used as specified in the procedures and forms within this Agreement.

These criteria include:

- a. Discipline Knowledge
- b. Creation and Facilitation of the Learning Environment
- c. Individual Professional Responsibility
- d. Participation in Institutional Activities
- e. Effective Teaching Methods

2. **Components:** The purpose of the multiple components listed below is to get data from a variety of perspectives for diverse faculty assignments. Every effort should be made to integrate the data in its entirety in contrast to overemphasizing any individual component.

- a. Evaluation Packet: developed during Mode A year 1 through training and mentoring, and required for subsequent years of evaluation. The purpose of the Evaluation Packet is to:
 - Demonstrate an on-going commitment to professional growth and development.
 - Provide an opportunity to give voice to a teaching and/or service philosophy for Mode A faculty (this is optional for Mode B faculty).
 - Provide a list of three goals and three achievements of the faculty member. The goals and achievements shall be measurable and achievable. The achievements shall document campus, community, and professional contributions since the faculty member's last evaluation.
 - Afford the committee a context in which to view scheduled observations.
 - Act as the faculty member's presentation aid for the Pre-Observation Meeting.

The evaluation committee reviews the Evaluation Packet during the Pre-Observation Meeting.

Evaluation Packet Preparation: The Evaluation Packet is an aid to facilitate the evaluatee's up to 20-minute presentation in the Pre-Observation Meeting. The items included may help to showcase the faculty member's progress and achievements since the last evaluation.

Article 6 **EVALUATION AND TENURE OF FULL-TIME FACULTY** (continued)

Mode A year 1- Required in the Evaluation Packet:

Following receipt of tenure, faculty on Mode B shall receive:

- A Mode B Brief Evaluation, unless
- A Mode B comprehensive evaluation is requested by the faculty member, or the Mode B brief results in the rating “needs to improve.”

If the faculty member receives a “needs to improve” rating, he or she moves to a Mode B Comprehensive Evaluation the following semester.

Mode A years 2, 3, 4 and Mode B Brief and Comprehensive – Required in the Evaluation Packet:

- A list of three goals and three achievements of the faculty member. The goals and achievements shall be measurable and achievable. The achievements shall document campus, community, and professional contributions since the faculty member’s last evaluation (see bullets for examples of professional accomplishments below):
 - In-class teaching/counseling/support service.
 - Curriculum review/development (e.g., development of courses, programs and/or instructional processes).
 - Educational research activity.

The evaluatee’s presentation of his/her Evaluation Packet shall take up to 20 minutes.

Article 6 [EVALUATION AND TENURE OF FULL-TIME FACULTY](#) (continued)

For Mode A evaluations, the educational administrator, the faculty chair, one (1) department/program area member chosen by the department, and one (1) department/program area member chosen by the evaluatee will each choose assignments for observation. To the extent practicable, observations should be made of all faculty instructional, counseling, and library assignments. Observations shall be distributed across different assignments, different courses, different delivery modes, and different sections for the semester. Timely feedback should be provided to the evaluatee prior to the Evaluation summary meeting. Student evaluations shall be completed for all assignments. (Forms appropriate to assignment; see Checklist in Article 6 Appendix.) [For faculty members with more than one college assignment see 6.F.3.](#)

The plan shall include a timeline for remediation, observation, and re-evaluation. The District shall provide assistance to remediate any deficiencies enumerated by the evaluation team.
 - 2) In the event of a "needs to improve" evaluation rating during the Mode B Brief Evaluation process, the faculty member moves to a Mode B Comprehensive Evaluation the following semester. In the event of a "needs to improve" on the Mode B Comprehensive, the faculty member moves to a Mode B Remediation for items that may be corrected before the beginning of the next semester (i.e., including but not limited to updating syllabi, SLOs, or course materials). Mode C may be more appropriate for remediation involving classroom or service observation and student evaluation.
 - c. **Unsatisfactory:** In the case of an evaluation report of "unsatisfactory," the Mode A employee in years one (1), two (2), or four (4) is terminated. In the event of an unsatisfactory evaluation during Mode A, year 3, a remediation plan shall be given with specific recommendations for remediation of any deficiencies. The plan shall include a timeline for remediation, observation, and re-evaluation. The District shall provide assistance to remediate any deficiencies enumerated by the evaluation team. In the event of an unsatisfactory evaluation during the Mode B process, the College president may implement a Mode C evaluation.

4. Participants:

- a. **The Evaluation Committee:** The goal of the Evaluation Committee is to identify and validate strengths, to identify areas needing improvement, and to suggest areas for growth. The committee should limit itself to the agreed-upon expectations for conditions of improvement and parameters that the faculty member and department have identified.

During the evaluation cycle, the Educational Administrator and the Evaluation Committee members shall make scheduled and announced visits to classes or work areas for observation purposes. The Evaluation Committee will meet with the faculty member in the Pre-Observation and Post-Observation Meetings and sign the final evaluation report. Every effort will be made for evaluation meetings to be scheduled with due consideration of faculty assignments.

In the event that a committee member misses a meeting, that committee member will meet with both the Educational Administrator and the evaluation committee chair, within five working days, to fulfill committee obligations.

Any committee member(s) may submit a minority statement to the Evaluation Package prior to the report being finalized and signed. A minority statement is a separate written statement presented by member(s) of a committee who disagree with the majority. All comments and recommendations will be tied to components relevant to the faculty member's job description. Personal criticisms, challenges to academic freedom, and identification of goals outside of these parameters are not appropriate.

- 1) The faculty chair will serve on area evaluations and facilitate the Pre-Observation and the Summary Evaluation Meetings. In the event that a faculty chair cannot serve, an area does not have a chair, or the faculty chair is the evaluatee, the Educational Administrator will meet with the faculty in the area to select a suitable substitute.
- 2) Faculty Evaluators will participate in all components of the evaluation as peer experts:
 - Attend all committee meetings.
 - Review the Evaluation Packet and other materials.
 - Make arrangements for an observation date.
 - Complete the observation and observation form appropriate to assignment.
 - Complete Form B/FT as appropriate.
 - Give the evaluatee timely feedback upon completion of the observation (prior to the post-observation meeting).
 - Submit minority statement if applicable.
 - Sign the final report confirming the majority opinion.
- 3) The Educational Administrator:
 - Provides direction to evaluatee on expectations and suitability of initial paperwork.
 - Provides direction to evaluatee on expectations and initial process.
 - Determines the timeline following contract specifications.

Article 6 EVALUATION AND TENURE OF FULL-TIME FACULTY (continued)

- Coordinates the paperwork inherent in the process.
- Coordinates the scheduling of the pre-observation meeting, evaluation team meeting and evaluation summary meeting.
- Completes an observation and observation form appropriate to the assignment.
- Gives the evaluatee timely feedback upon completion of the observation (prior to the Post-Observation Meeting).
- Completes administrative assessment Form Q/FT.
- Coordinates the evaluation team as it jointly completes the Evaluation Team Summary (attached to form A/FT), based upon the majority opinion of the group.
- Types summary report.
- After consultation with the evaluation committee, makes a recommendation on continued employment of the faculty member to the President or designee.

b. **Evaluatee** shall:

- Select one (1) tenured faculty member for the evaluation team for a Mode A (years 2, 3, and 4) or Mode B Comprehensive evaluation.
- Prepare Evaluation Packet.
- Provide his or her Educational Administrator with the following prior to the Pre-Observation Meeting:
 - A list of three goals and three achievements of the faculty member. The goals and achievements shall be measurable and achievable. The achievements shall document campus, community, and professional contributions since the faculty member's last evaluation.
 - Teaching and/or service philosophy (this is optional for Mode B faculty).
 - Syllabi for courses taught in the current semester
- Provide course materials for evaluation.
- Arrange observations for all assignments to be evaluated.
- When appropriate, send out faculty service survey to individuals the evaluatee chooses, with instructions to return the form to the Educational Administrator for inclusion in the evaluation package.
- Sign a statement that acknowledges the evaluation committee's findings have been presented at the Evaluation Summary Meeting and the evaluatee has 10 working days to respond to the committee's findings.
- After receiving an electronic copy of the fully executed evaluation, the evaluatee shall have 10 working days to respond to any additional administrative comments on the faculty evaluation coversheet.

D. Types

1. **Comprehensive Evaluations** involve a representative committee and a range of evaluation instruments and components, as indicated in Article 6.C.2 and the **Checklist** in Article 6 Appendix.
2. **Brief Evaluations**, for Mode B faculty only, include a smaller committee with a narrower range of evaluation instruments. Components to be used are the Evaluation Packet

Article 6 EVALUATION AND TENURE OF FULL-TIME FACULTY (continued)

and Student Evaluations. Forms to be used are indicated in the Checklist in Article 6 Appendix. The committee meets with the faculty member, conducts student evaluations in every student contact assignment, and completes the Evaluation Team Summary. The Educational Administrator completes an administrative assessment report. A faculty member who wishes to focus his or her brief evaluation on a particular project may indicate this in the self-evaluation portion of his or her evaluation. A faculty member may elect to replace a brief Mode B evaluation with a comprehensive Mode B evaluation.

E. Faculty Categories

1. **Non-tenured faculty** shall be evaluated in accordance with the Mode A evaluation process annually for the first four years. When a contract faculty member has not served seventy-five percent (75%) or more of the annual load in the first year of employment, or fifty percent (50%) or more of the annual load in the second year of employment, the faculty member's evaluation shall be extended.
2. **Tenured faculty** shall be evaluated in accordance with the Mode B Brief evaluation process every three (3) years unless the faculty member requests a Mode B Comprehensive Evaluation. Tenured faculty whose Mode B Brief results in a "needs to improve" evaluation will move to a Mode B Comprehensive Evaluation the following semester. In the event of a "needs to improve" on the Mode B Comprehensive, the faculty member moves to a Mode B Remediation for items that may be corrected before the beginning of the next semester (i.e., including but not limited to updating syllabi, SLOs, or course materials). Mode C is more appropriate for remediation involving classroom or service observation and student evaluation.
3. **Contingent on Funding faculty** shall be evaluated in accordance with the Mode A evaluation process for the first four (4) years and then every third year thereafter following the process outlined above for tenured faculty.
4. **Temporary faculty** shall be evaluated in accordance with the Mode A evaluation process.

F. Mode A: Comprehensive evaluations for pre-tenure faculty in the first four (4) probationary contract years.

1. The **purpose** of the probationary period is to give the faculty member who is a candidate for reappointment or tenure the opportunity to demonstrate to the Board of Trustees that he or she meets the standards established by a thorough process of evaluation.
2. Evaluations are conducted in the fall semester for the **first four (4) years** of employment to determine the granting of tenure in accordance with Education Code Sections §87605-87611 and 87663.
 - In years 1, 2, and 4, a decision will be made either to retain or not retain the faculty member.
 - For disciplines with state licensing board requirements, additional evaluations may be conducted as required by the licensing board.

Article 6 EVALUATION AND TENURE OF FULL-TIME FACULTY (continued)

3. The **Committee** consists of tenured faculty members only and includes the faculty chair, except under extenuating circumstances, as the chair of the committee, one (1) department/program area member chosen by the department, one (1) department/program area member chosen by the evaluatee, and the Educational Administrator. Committee members shall disclose potential conflicts of interest and recuse themselves from serving on the committee if they cannot be fair and impartial. Where there are not sufficient department/ program area members to serve on a committee, related disciplines may be used to furnish committee members. Where appropriate, an evaluator from outside the College may be included by the responsible Educational Administrator to increase the size of the committee to five (5).

~~3.4.~~ Split assignment: When a faculty member is teaching at two different colleges, either the faculty member chosen by the department or the faculty member chosen by the evaluatee must be from the corresponding college (non-home college). The corresponding college Administrator shall have the opportunity to provide information to the home college Administrator for Form Q and will be identified as a contributor.

A decision not to retain results in termination.

4.5. The **decision to grant tenure** will be based upon the cumulative evaluations of the probationary years. In the fourth (4th) year if the decision is to retain the faculty member, tenure will be granted, the faculty member will be notified by the Vice President or President, and the faculty member will be publicly recognized the following semester.

a. **Preliminary** tenure decisions: By December 15 of the fourth (4th) year, a preliminary tenure recommendation shall be made by the evaluation committee that either (a) tenure be granted or (b) the faculty member not be retained.

The December 15 preliminary tenure recommendation during the fourth (4th) year will be based upon the annual evaluations one (1), two (2), three (3), and four (4). The preliminary tenure recommendation shall be prepared by the responsible Educational Administrator in consultation with the evaluation review committee. The preliminary recommendation

shall be sent to the College Vice President and President for review. The College President shall make the final recommendation regarding tenure to the Chancellor and Board of Trustees by February 1.

- b. **Contested** tenure decisions: Allegations that the District, in a decision to grant tenure, made a negative decision that to a reasonable person was unreasonable, or violated, misinterpreted, or misapplied any of its policies and procedures concerning the evaluation of probationary employees, shall be classified and procedurally addressed as grievances. All rights, including hearing rights, shall be pursuant to the Education Code.

G. Mode B:

Regular tenured faculty shall be evaluated using the Mode B process every three (3) years. The process includes review of previous evaluation information. The evaluation shall be scheduled in the Spring term. Subsequent evaluations shall be Mode B Brief Evaluations unless the faculty member requests a Mode B Comprehensive Evaluation. A less-than-satisfactory Mode B Brief evaluation shall be followed the next semester by a Mode B Comprehensive Evaluation. In this situation, the next Mode B evaluation will be in two and one half (2-1/2) years.

For disciplines with state licensing board requirements, additional evaluations may be conducted as required by the licensing board.

- 1. **The Comprehensive Mode B Evaluation Committee** consists of tenured faculty members only and includes the faculty chair, except under extenuating circumstances, as the chair of the committee, one (1) department/program area member chosen by the evaluatee, and the Educational Administrator. Committee members shall disclose potential conflicts of interest and recuse themselves from serving on the committee if they cannot be fair and impartial. Where there are not sufficient department/program area members to serve on a committee, related disciplines may be used to furnish committee members. Where appropriate, an evaluator from outside the College may be included by the responsible Educational Administrator to increase the size of the committee to four (4).

- 2. **The Brief Mode B Evaluation Committee** consists of the faculty chair and an Educational Administrator.

- H. Mode C:** A Mode C evaluation may be called by the College President in the event of a needs to improve or an unsatisfactory evaluation rating during the Comprehensive Mode B process, or if in the College President’s judgment circumstances warrant evaluation other than the normal cycle. At that time the College President shall enumerate and describe the reasons for the Mode C in writing to the faculty member. The College President shall provide notice to the Association President that a Mode C has been declared. This shall supersede a Mode B evaluation.
1. **Committee:** Within two (2) weeks of the receipt of the notification letter by the evaluatee, a committee composed of tenured faculty members shall be appointed. The faculty members on the committee shall include the faculty chair, one (1) member chosen by the evaluatee in consultation with the Association President or designee, one faculty member chosen by the faculty chair, and one (1) Educational Administrator appointed by the College President or designee. In the event that a faculty chair cannot serve, an area does not have a chair, or the faculty chair is undergoing a Mode B evaluation, the Educational Administrator will meet with the faculty in the area to select a suitable substitute. Committee members shall disclose potential conflicts of interest and recuse themselves from serving on the committee if they cannot be fair and impartial. In the event that the Mode C is declared near the end of the term, the committee members will be appointed the first two (2) weeks of the next semester. It is recommended that faculty committee members be experienced in teaching, college service and leadership. See District’s portal, “Employee Forms” tab for forms **S-1/FT** and **S-2/FT**.
 2. The faculty member and the committee shall consult to develop a **remediation plan** to address the enumerated deficiencies. The plan shall:
 - a. include a timeline for remediating deficiencies.
 - b. delineate the process and the measures for determining performance improvements.
 - c. be submitted and approved by the appropriate Vice President.
 3. The remediation plan shall be implemented, and the District shall provide assistance to remediate deficiencies enumerated by the Mode C evaluation committee. At the conclusion of the established timeline, the committee and the administrator shall meet with the evaluatee to review the summary form. It is recommended that an Association representative be present at this meeting.
 4. **Evaluation tools** used to determine satisfactory progress may include but not be limited to:
 - Student Evaluation--at the suggestion of either the committee or the evaluatee, a standardized student evaluation or specialized student evaluation focusing on areas of deficiency.
 - Performance Observation--at the discretion of the Educational Administrator or at the election of the evaluatee, observations of performance by the evaluation committee.

Article 6 **EVALUATION AND TENURE OF FULL-TIME FACULTY** (continued)

- Other Elements--at the election of the evaluatee or the committee, other evaluation elements appropriate to teaching or non-teaching assignments with focus on deficiencies.

5. Mode C evaluations may lead to progressive discipline or termination. However, the services of the faculty members during their term or continuing appointment may be terminated only with Cause according to Education Code Sections 87666 et seq.

I. Mode R Evaluations: Mode R Evaluations shall be only for those faculty members whose evaluation cycle falls during the year of their retirement and who have submitted their retirement notifications to Human Resources no later than January 15th of the evaluation year. The Mode R Evaluation consists of a short self-evaluation form that discusses three faculty accomplishments since the last evaluation, and how to support teaching or service in the discipline in the future. Mode R does not include professional goals. Mode R also includes student evaluations but no classroom observations. The Mode R committee shall be the faculty member's chair and an Educational Administrator, and the process and timelines shall follow that of Mode B Brief Evaluations.

J. Faculty Director Evaluations

1. Faculty Directors will be evaluated on the duties listed in Article 5 by faculty and staff in the area and the educational administrator.
2. This process shall be completed for faculty members with a director's assignment of 20% or more.
3. The director evaluation process will be completed as part of the Mode A or Mode B regular evaluation cycle.
4. Evaluation form O/FT will be used.
5. The evaluatee and educational administrator should determine the questions on the evaluation form that are appropriate to the assigned program.

K. Online Faculty Evaluations

1. Observations of faculty teaching online classes shall be conducted at a scheduled time. CCA and the District agree to work with College Instructional Technology so online evaluators will be limited to a set time to observe the class site, just as evaluators of face-to-face classes are limited to a set time. The time for evaluators to observe an online class shall not exceed that of an evaluator observing a face-to-face class.

ARTICLE SEVEN - EVALUATION, SECURITY, AND SENIORITY OF ADJUNCT FACULTY

A. Purpose

Quality faculty are essential to the academic excellence of an institution. Therefore, it is a mutual expectation of faculty and administration that regular and on-going feedback be provided to faculty regarding job performance.

To ensure that quality teaching and support services remain the core ingredients in undergraduate education, the adjunct faculty evaluation process assesses the performance of the full scope of all assigned duties according to the job assignment and relevant professional standards. The evaluation process identifies and validates strengths, identifies areas needing improvement, and suggests areas for growth. The process also provides a basis for retention decisions.

B. Requirements

1. **Uniform and Consistent:** There shall be a uniform and consistent evaluation policy for all adjunct faculty as specified in the procedures and forms within this Agreement.
2. **Truthful and Accurate:** Evaluation information shall be truthful and shall not include unsubstantiated information, including rumors, gossip, or anonymous information of any kind. Information shall not be obtained through the use of sources such as electronic media, listening or recording devices without the written permission of the adjunct faculty member.
3. **Limited to Contractual Duties:** Adjunct faculty will be evaluated only on contractual duties.
4. **Based on Performance not Technology:** A distinction shall be made between adjunct faculty performance and technological failure. Malfunctions of instructional equipment shall not adversely affect the evaluation.
5. **Timely:** All participants are cognizant of the importance of immediate formative feedback and are committed to providing feedback rapidly and completing the process in a timely manner.
6. **Content is not Grievable:** The content of evaluations collected in a manner consistent with this Article shall not be grievable.
7. **Allows for Faculty Response:** Faculty evaluatees shall have two opportunities to respond in writing during the evaluation process. At the Evaluation Summary Meeting, faculty members shall sign a statement that acknowledges evaluation findings have been presented to them and they have 10 working days to respond to the committee's findings. After receiving an electronic copy of the fully executed evaluation, the faculty

Article 7 EVALUATION, SECURITY, AND SENIORITY OF ADJUNCT FACULTY (continued)

member shall have 10 working days to respond to any additional administrative comments on the faculty evaluation coversheet.

C. Process

1. **Criteria:** Because adjunct faculty assignments are diverse, evaluation criteria appropriate to the assignment shall be used as specified in the procedures and forms within this Agreement.

These criteria include:

- a. Discipline Knowledge
- b. Creation and Facilitation of the Learning Environment
- c. Individual Professional Responsibility
- d. Effective Teaching Methods

2. **Timelines:**

Adjuncts shall be evaluated their first semester at a college. Upon receiving a satisfactory rating on the first evaluation, an adjunct shall be evaluated in the third year and every three years thereafter. The adjunct evaluation form shall note ADJ-1 for first semester evaluations and ADJ-3 for all subsequent evaluations.

Student evaluations shall occur in every section taught by an adjunct faculty member. During the first semester evaluation, peer observations shall occur in every section. In the third year and subsequent evaluations, peer observations will occur in one section, mutually agreed upon by the adjunct faculty member and the faculty chair/designee. The evaluation shall optimally occur between weeks 5-8 in semester length courses. In courses that run less than a full semester, the evaluation shall occur approximately 35% of the way through the course.

Upon completion of the evaluation, the evaluator will make a recommendation, based on the ratings in Article 7.C.4, either to retain or not retain the faculty member within the adjunct hiring pool.

In the case of an observation rating of “unsatisfactory,” the adjunct faculty member, who may consult CCA, will be observed again by a tenured faculty member chosen by the evaluatee, and the educational administrator. Where there are not sufficient department/program area members to conduct the observations, the evaluatee may choose a tenured faculty member from a related discipline. The evaluation will be completed by the end of the semester.

For disciplines with state licensing board requirements, additional evaluations may be conducted as required by the licensing board.

A decision regarding retention within the hiring pool will be made after the committee evaluation.

Article 7 **EVALUATION, SECURITY, AND SENIORITY OF ADJUNCT FACULTY** (continued)

3. **Components:** The purpose of the multiple components listed below is to get data from a variety of perspectives for diverse faculty assignments. Every effort should be made to integrate the data in its entirety in contrast to overemphasizing any individual component.
 - a. **Peer and Administrative Materials Review and Classroom Observations:** Announced and scheduled observations by committee members of adjunct faculty work and interaction with students. For ADJ-1, observation should be made of all instructional, counseling and library assignments. For ADJ-3, the faculty chair or designee shall observe one assignment, mutually agreed upon with the evaluatee. (Forms appropriate to adjunct assignment; see **Checklist** in Article 7 Appendix.)
 - b. **Student Evaluations:** Evaluative reviews by students about interactions with the evaluatee conducting various duties, such as teaching, counseling, library, and other support services. (Forms appropriate to assignment; see **Checklist** in Article 7 Appendix)
 - c. **Administrative Assessment Review:** Evaluative review by Educational Administrator. (See Form Q/ADJ on District's portal, "Employee Forms" tab.)
 - d. **Faculty Service Survey:** Assesses the evaluatee's contribution to the KCCD community from the unique perspective of peers outside the discipline area or in the community, concerning faculty service. (See Form P/ADJ on District's portal, "Employee Forms" tab; all adjunct faculty with non-instructional duties that have no student contact hours, other optional.)
 - e. **Evaluation Summary:** Chair/designee or committee, as appropriate, develops the Evaluation Summary based upon data from the evaluation process and the elements of the evaluation packet. The narrative summary should include an assessment of the syllabi, observations and student surveys. The committee's recommendation may include a minority report.
 - f. **Evaluation Summary Meeting:** Meeting to clarify the Evaluation Summary, recognize faculty strengths, suggest areas for improvement and development, and inform the evaluatee of the committee recommendation. Committee members and evaluatee sign form A/ADJ no later than the end of the term of evaluation.
4. **Ratings**
 - a. **Satisfactory:** In the case of a re-evaluation report of "satisfactory," the employee will be retained within the hiring pool.
 - b. **Needs to Improve:** In the case of an evaluation report of "needs to improve," any recommendation for reappointment shall be given with specific recommendations for improvement. This rating will result in a follow-up evaluation the following semester
 - c. **Unsatisfactory:** In the case of an evaluation report of "unsatisfactory," the adjunct

faculty member will not be eligible for rehire.

The College President shall provide notice to the Association President that a Special Evaluation has been declared.

1. Committee: Within two (2) weeks of the receipt of the notification letter by the evaluatee, a committee composed of one (1) educational administrator appointed by the College President or designee and two (2) tenured faculty members shall be appointed.

The faculty members on the committee shall include the faculty chair or designee and one (1) member chosen by the evaluatee in consultation with the Association President or designee. In the event that the Special Evaluation is declared near the end of the term, the committee members will be appointed the first two (2) weeks of the next semester.

2. Evaluation tools used to determine satisfactory progress may include but not be limited to:
 - Student Evaluation--at the suggestion of either the committee or the evaluatee, a standardized student evaluation or specialized student evaluation focusing on areas of deficiency.
 - Performance Observation--at the discretion of the Educational Administrator or at the election of the evaluatee, observations of performance by the evaluation committee.
 - Other Elements--at the election of the evaluatee or the committee, other evaluation elements appropriate to teaching or non-teaching assignments with focus on deficiencies.
3. Upon completion of this evaluation, the evaluation committee will make a recommendation, based on the ratings in Article 7.C.4., either to retain or not retain the faculty member within the adjunct hiring pool.

E. Mode R Evaluations: Mode R Evaluations shall only be for those faculty members whose evaluation cycle falls during the year of their retirement and who have submitted their retirement notifications to Human Resources no later than January 15th of the evaluation year. The Mode R Evaluation consists of a short self-evaluation form that discusses three faculty accomplishments since the last evaluation, ~~a short SLO narrative,~~ and how to support teaching

or service in the discipline in the future. Mode R does not include professional

Article 7 **EVALUATION, SECURITY, AND SENIORITY OF ADJUNCT FACULTY** (continued)

goals. Mode R also includes student evaluations but no classroom observations. The Mode R committee shall be the faculty member's chair and an Educational Administrator, and the process and timelines shall follow that of Mode B Brief Evaluations.

F. Online Faculty Evaluations

1. Observations of faculty teaching online classes shall be conducted at a scheduled time. CCA and the District agree to work with College Instructional Technology so online evaluators shall be limited to a set time to observe the class site, just as evaluators of face-to-face classes are limited to a set time. The time for evaluators to observe an online class shall not exceed that of an evaluator observing a face-to-face class.

G. Adjunct Priority Rehire List

1. Applicability:

This section shall apply to part-time faculty assigned to teach instructional classes or perform non-instructional academic assignments for not more than 67 percent (67%) of the hours per week which are considered a full-time assignment for regular employees having comparable duties pursuant to Education Code section 87482.5.

This section supersedes all previous language related to adjunct seniority contained in the MOU dated May 2, 2018, and any seniority number received under that MOU.

This section does not apply to any person excluded from the bargaining unit as noted in Article 1B1b.

This section also does not apply to any person compensated to provide instructional hours if such instructional hours are not provided as part of load, for example, dual enrollment instructors employed by the high school district, or a person providing tutoring assistance in a lab or resource center setting.

2. Assignment and Retention:

Each division/department chair, in consultation with, and approval by, applicable educational administrator, shall establish an adjunct priority rehire list based on adjunct faculty date of hire, which is deemed the date that the adjunct faculty member first rendered paid service at the college in a department or division as an adjunct faculty member. Temporary and full-time assignments do not count toward service considered for adjunct priority rehire list. Human Resources will provide a list notating hire date and Faculty Service Area for adjunct faculty.

Adjunct priority rehire list will be established based on the following criteria:

- a. Length of service with the College
- b. Based on evaluation
- c. Does not transfer across colleges
- d. Summer appointments are excluded
- e. Adjunct faculty members expertise for the assignment

Article 7 EVALUATION, SECURITY, AND SENIORITY OF ADJUNCT FACULTY (continued)

Adjunct faculty shall be placed on the priority rehire list after successfully completing four (4) semesters of adjunct faculty work, and receiving a “satisfactory” evaluation.

Adjunct faculty can decline their full assignment for 2 consecutive semesters before being removed from the adjunct priority rehire list. Failure to respond to an offer of assignment will be considered a declination of that assignment. Should adjunct faculty decline an assignment, the District is not obligated to offer another during that semester. An adjunct faculty member who declines only a portion of the offered assignment, but accepts at least one offered assignment, will not be considered to have declined the assignment.

An adjunct faculty member will be removed from the priority rehire list for any of the following reasons:

- a. Declining a full offered assignment for the 3rd consecutive semester.
- b. Advising the department/division in writing of their intent to resign from part-time employment with the District.
- c. Receiving an “Unsatisfactory” evaluation.
- d. Termination for cause

Adjunct faculty who have not had an assignment with the District, whether by declining their full offered assignment or the unavailability of assignments, for four (4) consecutive semesters will be removed from the priority rehire list and will be separated from employment with the District. Adjunct faculty who apply to be rehired after they have been separated will be processed as a new employee.

Retired faculty members who return to teach adjunct shall start over as adjunct faculty in terms of priority rehire and evaluation. They will be placed on the priority rehire list after successfully completing four (4) semesters.

If adequate class sections are available, the department/division chair, in consultation with the appropriate educational administrator, shall strive to assign an adjunct faculty member the same load as assigned during the previous two (2) semesters, excluding summer.

Factors considered when making assignments will be:

- i. Past experience in assignment
- ii. Expertise in area of instruction/service
- iii. Previous performance evaluations in assignment

Additional units taught beyond a maximum adjunct faculty load (.067) do not count toward historical load. Temporary and Full-time assignments do not count toward historical load.

The District reserves the right of assignment. Nothing in this provision provides unit members with rights to specific classes or assignments.

Each semester, at the discretion of the department/division chair, one (1) course section OR eight (8) hours/week in a non-teaching area, may be excluded from the assignment of adjunct faculty on the priority rehire list for the express purpose of hiring new adjunct faculty who have not previously held an assignment with the district.

Article 7 [EVALUATION, SECURITY, AND SENIORITY OF ADJUNCT FACULTY](#) (continued)

3. Maximum Full-Time Overload

Full-time faculty members' semester workloads shall not exceed 0.67 above a full load if adjunct faculty members are available to teach additional classes that are offered.

- B. The annual lecture hour equivalent (LHE) load** for faculty shall be thirty (30). A semester LHE shall be fifteen (15).

To determine load add the decimal equivalent for each load type. A full semester load equals one.

C. Faculty assignment adjustments shall be made with mutual agreement between the educational administrator and the faculty member.

1. A faculty member shall not be required to teach overload.
2. For the purposes of calculating load, a full-time faculty SEMESTER load equals 1.0. However, loads falling between .97 and 1.03 (inclusive) will not need adjustment in that semester or any subsequent semester. For the purposes of calculating load, a full-time faculty ANNUAL load equals 2.0. However, loads falling between 1.94 and 2.05 (inclusive) for an academic year will not need adjustment.
 - a. A semester load in excess of 1.03 may be adjusted by a load reduction in any of the subsequent two (2) semesters or by compensation at the overload rate at the discretion of the faculty member. If compensation is the chosen option, then overload pay will be calculated for any load above 1.0.

Article 8 [FACULTY ASSIGNMENT](#) (continued)

D. Load Adjustments:

1. **Large Class Size and Combined Lectures**

- a. Sections scheduled to accommodate large size classes shall be loaded as follows:
 - Minimum of sixty-five (65) (85 Instructional televised courses) students = 1.5 times normal load credit
 - Minimum of eighty-five (85) (110 Instructional televised courses) students = 2.0 times normal load credit
 - b. For any large size class, combined lectures, or online class, the maximum number of students shall not exceed 100 without mutual agreement between the faculty member and the educational administrator. If the class size exceeds 105 students, then 2.5 times normal load shall be paid. For each increment of 20 students over 105, the pay shall increase by 0.5 times normal load.
 - c. No more than double credit will be allowed, unless approved by the College President.
 - d. Only one oversized class will be allowed, unless approved by the College President.
 - e. Changes made in class size after scheduling is complete must be approved by the College President or designee.
 - f. When the lecture portion of two or more classes requiring both lecture and lab are combined into one lecture session, one-half (1/2) hour of additional lecture load will be given.
 - Either the large class size policy or the lecture combination policy will apply, whichever yields the greatest load credit.
 - g. For the purpose of load adjustment, the class size, as referenced in **Article 8.D.1**, shall be computed at the twenty percent (20%) date of the class, or in the case of a positive attendance class at the midpoint.
 - h. By mutual agreement between the educational administrator and faculty member, a reader or instructional assistant may be provided in-lieu of additional load credit.
2. One additional hour of load credit will be granted for the courses referenced below, provided readers are not used: [English composition courses C-ID, 100, 105, and 110.](#)
- [English composition course\(s\) which singularly or together meet the CSU and/or UC lower division composition requirement, \(i.e., English 101A and 101B at Porterville College, English C101 at Cerro Coso College and Bakersfield College.\) OR](#)

Article 8 FACULTY ASSIGNMENT (continued)

- ~~The preparatory course one level below the CSU and/or UC transfer level composition course.~~

3. Designated coordinators of self-paced classes in an open-entry/open-exit environment shall receive an assignment of twenty percent (20%) of load for coordination duties. These duties may be performed at a time and location that are mutually agreed upon between the faculty member and the academic administrator.

E. Work Experience coordination shall be loaded in accordance with the District Work Experience Plan.

F. Maximum and minimum class sizes will be determined by the College President or designee after consultation with faculty chairs.

Class size decisions at each campus shall be made in a fair and consistent manner based on pedagogical and enrollment management considerations.

G. The College President and/or designee may schedule faculty weekday and/or evening assignments as part of a semester load.

1. By written mutual agreement between the College President and/or designee and the faculty member, weekend assignments may be made. An assignment of twenty percent (20%) of load on Saturday shall be considered one work day.
2. No more than two (2) evenings or one evening and one weekend will be assigned unless requested by the faculty member or as necessary to complete a faculty member's load after exploring alternatives with the faculty member.
3. The time span for part-of-load from the beginning of instruction to the end of instruction shall be limited to eight (8) hours per day. If the College President determines it to be necessary to exceed the eight-hour (8-hour) time span, the College President shall meet with the faculty member to explain the reasons for the assignment and to explore alternatives.
4. No faculty member will perform duties at more than one college site on the same day without mutual agreement between the faculty and the administration, except when necessary to make a full load.

H. Workload determination shall be made by the College President and/or designee during the first two weeks of each semester.

I. Maximum Semester Workloads

1. Semester workloads shall not exceed 0.67 above a full load if adjunct faculty members are available to teach additional classes that are offered.
2. Exceptions on a semester-by-semester basis to the above maximum overload amount may be made by written mutual agreement between the faculty member and the College

Article 8 **FACULTY ASSIGNMENT** (continued)

President or designee if no adjunct faculty members are available to teach the additional classes that are offered.

- J. Courses remaining without instructors after full-time loads have been assigned shall be first made available to qualified full-time faculty members within their primary discipline on an overload basis.** Primary discipline is defined as the academic discipline or disciplines in which the faculty member was initially employed with the district. When full-time faculty schedules have been completed, the remaining unassigned classes shall be made available to part time faculty. After the class schedule is made available to students, classes may be reassigned to full-time faculty ONLY in cases where the class is needed to complete a full-time load. No classes will be reassigned from part-time to full-time faculty after the second week of a semester-length class, or the 13% date of a less-than-semester-length class.

Faculty members may request overload in disciplines outside their primary discipline(s) subject to administrative approval.

CCA has the right to negotiate the effects of a departmental/divisional reorganization on faculty assignment.

- K. The number of academic preparations** should not exceed three per semester except in the following situations:

- Upon instructor request
- To provide for a full teaching load after other alternatives have been exhausted

- L. In the event of overloads or underloads,** work assignment adjustments shall be made during the current or subsequent academic year unless the employee has elected to bank load according to **Article 13.A.** of this agreement. With mutual agreement between the College President and/or designee and the faculty member, assignment adjustments may be made in intersession or summer session. Load adjustments not completed within a two-year (2-year) period and not being banked shall be completed in the subsequent intersession or summer session. A faculty member shall not be required to take an overload assignment unless the supervising educational administrator determines that such assignment is necessary to remedy a prior underload assignment.

- M. A tenured employee when assigned from a faculty position to an administrative position,** or assigned any special or other type of work, or given special classification or designation, shall retain his/her status as a tenured faculty member.

N. Days and Hours of Work Are:

1. The basic faculty assignment in the Kern Community College District is a 43.75-hour contract week based on a 16-week academic semester and (175-day) academic year. In the case of alternative calendars, the contract week hours shall be adjusted based on the one thousand four hundred (1,400) hours per academic year. One hundred seventy-five (175) days shall be defined as that period between the first instructional day of the fall semester and the last instructional day of the fall semester **plus** the period between the first instructional day of the spring semester and the last instructional day of the spring semester.

Article 8 **FACULTY ASSIGNMENT** (continued)

Proposed full-time faculty assignments that vary from the definition of one hundred seventy-five (175) days as indicated above, must still equal one thousand four hundred (1,400) hours and must be mutually agreed to by the faculty member, the Association, and the College President or designee.

2. **Faculty with no reassigned time (including student learning support faculty)**
 - a. Seventy-five percent (75%) of the faculty member's workweek hours shall be spent in a combination of student contact and preparation. The remaining twenty-five percent (25%) of workweek hours shall be spent in professional activities, [e.g., office hours, professional development, and meetings (departmental, campus, etc.)].
 - b. The number of office hours scheduled for the convenience of students shall be proportional to instructional load. A maximum of five (5) office hours per week shall be scheduled and posted for instructional faculty or preparation time for student service faculty. These hours may be held in the faculty member's office, online, and/or at appropriate District locations. These hours shall reflect the range of delivery modes of the faculty assignment.
 - c. The District shall require all full-time faculty Counselors and Librarians to serve a minimum of a 185-day contract year. The District agrees to report the 185-day contractual obligation to CalSTRS as base compensation as it is a requirement for receiving full 1.0 Full-Time Equivalent service credit for retirement purposes.
 - d. If no summer school occurs, Librarians will serve a minimum of a 175-day contract. If this happens, the District agrees to report the 175-day contractual obligation to CalSTRS as base compensation as it is a requirement for receiving full 1.0 Full-Time Equivalent service credit for retirement purposes.
 - e. The 185-day contract provision referenced in Section 2.c. and 2.d. shall be subject to negotiations during the course of the contract if either the District or CCA requests this pursuant to Article One, Section 2.d. Any recommendation coming from these meetings is subject to negotiations.
3. **Faculty with partial reassigned time**

Seventy-five percent (75%) of the faculty member's non-reassigned workweek hours shall be spent in a combination of student contact and preparation. The remaining twenty-five (25%) of the non-reassigned workweek hours shall be spent in professional activities, [e.g. office hours, professional development, and meetings (departmental, campus, etc.)]. Weekly office hours shall be calculated at teaching part of load times five (5) (rounded to the nearest quarter-hour) and shall be posted and scheduled for the convenience of students. These hours may be held in the faculty member's office, online, and/or at appropriate District locations. These hours shall reflect the range of delivery modes of the faculty assignment. The faculty member's reassigned time shall be spent in administrative/professional development/governance duties.
4. **Faculty with full reassigned time**

One hundred percent (100%) of the faculty member's workweek hours shall be spent in

Article 8 FACULTY ASSIGNMENT (continued)

administrative/professional development/governance duties.

5. It is the intent of this section that instructors be available to participate in Department meetings and other committee work as their assignments permit.
6. The scheduling of extra days of service above the basic faculty assignment must be mutually agreed upon by the faculty member and the College President or designee.
7. Pre-approved compensatory time on an hour-for-hour basis shall be provided for assigned hours in excess of the approved campus workweek for non-teaching assignments. The compensatory hours should be taken within forty-five (45) calendar days, or as soon as possible.

O. Optional Reduced Workload Program: A bargaining unit member may have a reduction in workload from full-time to part-time contractual duties prior to retirement and receive the same service credit toward retirement as would have been received had the employee continued on a full-time basis. See District's portal, "Employee Forms" tab for the Optional Reduced Workload Agreement form.

1. The employee must have reached the age of fifty-five (55) years by the start of the semester in which work reduction begins.
2. The employee must have been employed full-time in a position requiring certification for at least ten (10) years of which the immediately preceding five (5) years were in the Kern Community College District. (See Education Code Section 87483)
3. The option of reduced workload shall be initiated by a written request from the employee to the President of the College. Such request requires the approval of the College President, the Chancellor, and the Board of Trustees.
4. The employee is limited to a period of not more than ten (10) years in such part-time status. During this reduced workload period, the option may be revoked or altered only by the mutual consent of the employee and the District.
5. The employee shall be paid a part-time salary prorated on the basis of the full-time salary for the position in which he/she serves. The employee shall retain special benefits provided for by Board policy in the same manner as a full-time employee.
6. The minimum assignment shall be half-time. Half-time employment shall be the equivalent of one-half (1/2) the number of days of service required by the employee's contract of employment during his/her last full-time contract. Unpaid status, other than the contracted amount, during a given year may result in State Teachers' Retirement System (STRS) service credit loss.
7. The District and the employee shall each contribute to the State Teachers' Retirement System the amount that would have been contributed if the employee had continued on a full-time basis. The employee's right to have retirement benefits based on full-time

Article 8 FACULTY ASSIGNMENT (continued)

employment is contingent on such contributions.

8. The assignment shall comply with the requirements for the percentage of part-time service requested by the applicant; however, in the event that the applicant's request cannot be accommodated because it creates unusual or difficult staffing problems, the application can be denied or an alternate assignment can be made and/or the employee may reapply for the program for subsequent years with a plan that fulfills District needs.
9. All regular duties required of full-time employees in similar assignments shall be performed during the dates the employee is on duty. This includes attendance at District-called meetings, faculty meetings, departmental meetings, and other regularly scheduled College activities. The employee is eligible to serve voluntarily on any committee and retains other privileges of full-time employees.
10. Duty hours of non-teaching employees shall be arranged in a manner which will most effectively carry out the assignment given the employee.
11. An employee on a reduced contract will be expected to make all necessary classroom preparations and satisfy office and conference hours beyond the assigned teaching load.
12. An employee electing to participate in the program is entitled to use the hours of sick leave accumulated while working full-time and shall accumulate, on a pro-rata basis, days of sick leave earned while in the reduced workload program.
13. Employees on optional reduced workload program status are not eligible for sabbatical leaves.

P. Assigned Curriculum Development: Faculty assigned to develop curriculum shall be compensated by reassigned time, load banking, or overload pay, as determined by the faculty member. Compensation shall be one-half (0.5) lecture hour equivalent (LHE) per unit. (e.g., 3-unit class = 1.5 LHE)

1. Full-time faculty shall be given preference for any curriculum writing assignments.
2. This assignment shall be on a voluntary basis.
3. The District's "Curriculum Development Agreement" form (See District's portal, "Employee Forms" tab) must be completed and signed by both parties.

Q. Inmate Education Program: KCCD shall strive to become a leader for inmate education in the state through its commitment to faculty and students. As part of this commitment, no KCCD faculty member will be involuntarily assigned to teach or to provide non-instructional services in a prison or correctional facility. CCA and KCCD agree to work together to seek faculty volunteers internally first to teach or to provide non-instructional services for the Inmate Education Program before advertising externally for new faculty hires to teach or to provide non-instructional services for the Inmate Education Program. To encourage faculty to consider volunteering to teach or to provide non-instructional services

Article 8 FACULTY ASSIGNMENT (continued)

for prison courses, the following process shall be followed:

1. **Internal recruitment and training of KCCD faculty for inmate education courses:**

KCCD and CCA will educate KCCD faculty internally about the Inmate Education Program. KCCD will recruit internally first for faculty volunteers to teach or to provide non-instructional services for the program. KCCD shall pay faculty for three types of training and/or orientation:

- a. **Initial prison tour/ orientation:** All KCCD faculty members who volunteer to teach or to provide non-instructional services in a prison or correctional facility shall agree to follow the rules, regulations, and conditions of the facility including a prison-mandated clearance check.
 - i. All KCCD faculty who undergo a prison-mandated clearance check and who tour a prison or correctional facility to learn about correctional safety issues, meet with the prison's school instructors and staff, and see where the courses will be held shall be paid \$120 minimum for up to four hours, and \$30 per hour for any additional hours, at the non-contract professional services rate, per Article 11, Appendix D.
 - ii. Faculty who tour a prison or correctional facility will receive mileage reimbursement equal to a distance between the primary College site and prison facility. District owned vehicles shall be scheduled for use, if available, as an alternative to mileage reimbursement.
 - iii. KCCD faculty members who complete a clearance check and tour the facility, but who later are not approved by the prison or correctional facility, will receive the mileage reimbursement and \$120 stipend for the prison tour.
- b. **District training:** All KCCD faculty who volunteer to teach or to provide non-instructional services in prison shall be paid a minimum of \$240 for up to eight hours at the non-contract professional services rate, per Article 11, Appendix D, for faculty to receive training on prison health and safety issues from a District-employed trainer prior to a faculty member starting any assignment at the prison or correctional facility. If the trainer is a faculty member, the trainer shall be paid \$240 minimum for up to eight hours to provide this training at the non-contract professional services rate, per Article 11, Appendix D.
- c. **Prison-mandated training:** Faculty shall be paid at the non-contract professional services rate, per Article 11, Appendix D, or \$30 per hour, for any additional training required by the prison.
 - i. Faculty who receive any additional prison-mandated training will receive mileage reimbursement equal to a distance between the primary College site and prison facility. District owned vehicles shall be scheduled for use, if available, as an alternative to mileage reimbursement.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is entered into by the KERN COMMUNITY COLLEGE DISTRICT ("District") and KERN COMMUNITY COLLEGE COMMUNITY COLLEGE ASSOCIATION/NEA ("Association"). The parties have entered into this MOU to reflect the agreements that have arisen out of the District's obligation to negotiate the effects of its decision to issue layoff and displacement notices to certain bargaining unit employees.

Now, therefore, the District's and the Association's representatives agree as follows:

1. The layoffs and related displacements shall be implemented pursuant to the relevant provisions of Education Code, Government Code, the 2002-2005 Faculty Collective Bargaining Agreement ("Agreement"), and the terms agreed to herein.
2. Any employee whose services have been terminated as a result of the reduction in force shall have the preferred right to reappointment for the period of 39 months from the date of the termination.
3. If during the life of this MOU there exists any applicable law or any applicable rule, regulation, or order issued by governmental authority other than the District which shall render invalid or restrain compliance with or enforcement of any provision of this MOU, such provision shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Any invalidation of a part or portion of this MOU shall not invalidate any remaining portions, which shall continue in full force and effect.
4. NOTIFICATION AND INFORMATION SHARING
 - a. The parties agree that all notices related to the faculty layoff shall be served in a timely and appropriate manner as required by the Education Code. The District shall provide to the Association a list of faculty who receive notice of layoff, displacement, or reduction of service. (See Exhibits 1 and 1-A) The District will provide copies of Exhibits 1 and 1-A to be attached.
 - b. The District shall provide a bi-monthly report to the Association regarding the then-current status of each employee named on exhibits 1 and 1-A. ARTICLE ELEVEN - COMPENSATION AND BENEFITS

A. Faculty Compensation

1. The ongoing goal of the Kern Community College District (KCCD) and the Association is to provide a salary that is competitive with the agreed upon college comparable districts (see section 2 below).
2. Salary Schedule Increases
 - a) The full-time faculty schedule will be increased by the across-the-board percentage increase given by the ten (10) comparable districts for the applicable fiscal year as described below:
 1. Comparable Districts: Antelope Valley, Riverside, San Bernardino, San Joaquin Delta, Santa Clarita, College of the Sequoias, State Center, West Hills, West Kern, and Yosemite.
 2. For purposes of this agreement “across-the-board percentage increase” shall be determined by the following process on April 15 of each applicable year (adjustment to be applied on July 1 of the next fiscal year):
 - a) Step 1: All comparable districts highest non-doctorate salary will be obtained from All Faculty Association Website through Santa Rosa Junior College (http://www.santarosa.edu/afa/statewide_study.shtml) for the current fiscal year.
 - b) Step 2: All ten (10) districts then will be ranked from one to ten with one being the highest maximum non-doctorate salary and ten being the lowest maximum non doctorate salary.
 - c) Step 3: If KCCD’s highest non-doctorate salary is greater than or equal to the fourth ranked salary of the comparable districts, no changes to the faculty salary structure will be made. If KCCD’s highest non doctorate salary is less than the fourth ranked salary of the comparable districts, then any positive increase will result in an across the board percent increase and will be applied to all cells on the faculty salary schedule using the following formula below:

Formula:

$$\% \text{ change} = \left(\frac{\text{Fourth Ranked Salary} - \text{KCCD Salary}}{\text{KCCD Salary}} \right) \times 100$$

= -----

Formatted: No underline

Rank	District	Salary
1	Santa Clarita	\$125,112
2	West Hills	\$123,338
3	Sequoias	\$120,518
4	Riverside	\$115,192
5	San Joaquin Delta	\$114,482

Failure to provide the bond in timely fashion may be considered cause for the rescinding of the sabbatical leave.
 13. Employees who have been granted leave will follow the normal progression on the salary schedule in the same way as if they were on active duty, and the leave period shall be included in computing years of service to the District.
 14. Each employee returning from leave shall file a complete and written report which is satisfactory to the College President within ninety (90) calendar days from the date of return to duty. 20. The Board of Trustees, at its sole discretion, shall have the right to waive any provision of this Agreement regarding sabbatical leaves providing that (1) such action does not work to the detriment of the employee who receives the waiver, and (2) it is in the District's best interest to make the exception.
21. The Education Code and Title 5 shall govern sabbatical leaves.

At the Board's discretion, this leave may be extended for up to two additional six-month periods or lesser leave periods that it may provide but not to exceed a total of eighteen (18) months.

Documentation Status: All documentation regarding the dispute shall not be a part of the unit member's personnel file.

Timelines shall commence with the receipt of a written communication and shall be considered met if a document arrives on or before the last day of an established timeline. In Step One and Step Two of this process, extensions of timelines must be requested in writing and signed by all parties to the dispute or by the Vice Chancellor of Human Resources. The extension shall not exceed an additional thirty (30) working days.

1. Dispute Resolution Procedure: Dispute Resolution Procedure:

- a. Step One – Informal: The disputant shall complete the Dispute Resolution form (Appendix L) indicating clearly the nature of the dispute. If there is an allegation of a violation, misapplication or misinterpretation of a rule, regulation or law, the disputant shall specifically cite the rule, regulation or law alleged to be involved. Regardless of the type of dispute, the remedy sought shall be clearly identified on the form. The Dispute Resolution form shall be filed with the College Human Resources Office within thirty (30) working days of an alleged act, incident, or omission that is the subject of the dispute. The Dispute Resolution form will be reviewed and a copy shall be forwarded to the Faculty Association.

If appropriate, the College Human Resources Office will coordinate a meeting between the College Human Resources representative and a Faculty Association representative (if requested) to meet with the parties of the dispute within fifteen (15) working days and shall facilitate a discussion with the goal of resolving the dispute. When appropriate, the College Human Resources Office will refer the facilitation of the meeting to the immediate supervisor. The College Human Resources Office shall provide both parties and the Faculty Association with written documentation of the results of the informal meeting within ten (10) working days from the conclusion of the meeting. No other person shall be present.

If the dispute is not resolved at Step One, the disputant shall have ten (10) working days from the receipt of the Step One result to file a request with College Human Resources for a Step Two meeting.

- b. Step Two – Conciliation Meeting:

The College Human Resources representative shall meet with the immediate supervisor and a Faculty Association representative within ten (10) working days to clarify the issues in the dispute. Both the District and the Faculty Association representatives shall be provided with copies of the original Dispute Resolution form.

Within fifteen (15) working days following this Step Two meeting, the Human Resources Office and the Faculty Association representative shall submit a proposed resolution in writing to both parties. Both parties shall have ten (10) working days to either accept or reject the proposed resolution. The decision of both parties shall be retained by the Human Resources Office and copies will be forwarded to the Faculty Association.

If warranted, at any point, this process may include mediation at the discretion of the Vice Chancellor of Human Resources.

If the dispute is not resolved at Step Two, the disputant shall have ten (10) working days from the receipt of the Step Two result to file a request with College Human Resources for a Step Three appeal.

- c. Step Three – Final Appeal Review: The Vice Chancellor of Human Resources (or designee) shall meet with the parties to hear the dispute. Each party shall be provided with copies of the original Dispute Resolution Process form, the results of the Step One informal meeting, and the proposed conciliation resolution five (5) working days prior to the appeal review meeting. Both parties may have a Faculty Association representative present.

The Vice Chancellor of Human Resources (or designee) shall determine whether to uphold, amend, or reject the conciliation recommendation or alternatively to impose a cooling off period of up to thirty (30) working days. Following any cooling off period, the Step Three process shall resume. The determination shall not conflict with the remainder of the Faculty Association Contract, Administrative Procedures, Board Policies, or applicable laws.

The appeal review shall be scheduled within ten (10) working days from the request following the conclusion of Step Two. The District shall communicate a written decision within ten (10) working days following this Step Three meeting with copies transmitted to both parties and the Faculty Association. The decision of the Vice Chancellor of Human Resources (or designee) is not subject to appeal.

An alleged violation, misapplication or misinterpretation of a provision of this Agreement which has been filed under the Grievance Procedure (Article 16) of this Agreement is not subject to the provisions of this Article.

Withdrawal of Dispute: At any time during the dispute process, the disputant may decide to withdraw the dispute by written notification to the College Human Resources Office. The College Human Resources Office shall then notify the other party and the Faculty Association that the dispute has been withdrawn.

C.D. Progressive Corrective Action

It is the intent of this progressive corrective action process to ensure that faculty are treated in a uniform and consistent manner.

1. Department chairs, faculty directors, faculty coordinators, or other faculty unit members who have assumed leadership functions over their divisions, departments, and work areas, remain faculty members and, as such, do not have disciplinary authority over other unit members.

Formatted: Indent: Left: 0.39", No bullets or numbering

2. Corrective action means actions taken outside an evaluation to improve unsatisfactory employee behavior, conduct, or performance. It may include, but is not limited to, coaching and counseling meetings, oral warnings, written reprimands, and/or a written Notice of

Article 14 PERSONNEL FILES AND COMPLAINTS (continued)

Unprofessional Conduct or Unsatisfactory Performance. The intent of progressive corrective action is to help the faculty member improve their performance and ensure their success. While the corrective action process should generally follow the steps outlined in this section, there may be circumstances that warrant beginning corrective action at a higher step.

3. At all stages of the progressive corrective action process, faculty members have the right to CCA representation. Faculty members may also request CCA representation in cases when they reasonably believe that the meeting may lead to disciplinary action.
4. Coaching & Counseling: Coaching and counseling meetings are intended to be pre-disciplinary in nature in order to counsel the faculty member on expectations related to proper behavior, conduct, and performance. This is a first, informal step in correcting behavior.
5. Verbal Warning: In cases where coaching & counseling has been unsuccessful, or the behavior warrants beginning at this step, a supervisor will meet with the faculty member to explain to the faculty member the conduct or behavior at issue. The faculty member will be informed of what actions he or she must take to correct the behavior, and the time period in which such correction should occur. The time period should be defined by the supervisor at the time the verbal warning is given, and shall be reasonable as to allow for a true display of the faculty member's improved behavior. This conversation will be documented, but the documentation will not be placed in the employee's personnel file.
6. Letter of Reprimand: In cases where the verbal warning was unsuccessful in changing behavior, or the behavior warrants beginning at this step, a supervisor may issue a formal letter of reprimand to a faculty member setting forth the factual basis for the reprimand, the expected level of performance or behavior, and recommendations as to how to address the behavior or performance at issue. The supervisor will meet with the faculty member to review the letter and the expected behavior moving forward. The faculty member shall be afforded the opportunity respond to the letter of reprimand prior to the letter being placed in the faculty member's personnel file, and such letter shall not be placed in the personnel file for at least ten (10) business days in order to afford the faculty member the opportunity to respond. The faculty member's response will be attached to the Letter of Reprimand and included in the faculty member's personnel file.
7. Written Notice of Unprofessional Conduct or Unsatisfactory Performance: The College President or his/her designee may issue a ninety (90) day Written Notice of Unprofessional Conduct or Unsatisfactory Performance under California Education Code §87734. The written notice of the unprofessional conduct or unsatisfactory performance should specify the nature of the unprofessional conduct or unsatisfactory performance. The Written Notice will be hand delivered or sent by certified mail to the Faculty member. The President or his/her designee will meet with the faculty member to discuss the Written Notice. The faculty member shall be afforded the opportunity respond to the Written Notice prior to the letter being placed in the faculty member's personnel file, and such letter shall not be placed in the personnel file for at least ten (10) business days in order to afford the faculty member the opportunity to respond. The faculty member's response will be attached to the Written

Notice and included in the faculty member's personnel file.

8. Faculty dismissal and/or suspension for cause, as well as a faculty member's due process rights in such a proceeding, is governed primarily through the California Education Code, including but not limited to Education Code §§ 87732, 87734, and 87660-87683.

ARTICLE FIFTEEN - WORK ENVIRONMENT

The District shall use its best efforts to provide and maintain environments, equipment, and facilities which promote the health and safety of faculty members and which are conducive to teaching and learning.

A. Safety

1. The District will strive to maintain a safe working environment and take prompt corrective action to eradicate all known cases of toxins, hazards, harassment, threats, and violence to the extent mandated by law. The District shall provide for fast and reliable emergency response systems.
2. Any on-the-job condition(s), physical or social, perceived to be unsafe by a faculty member, shall be reported by the faculty member using procedures established and published for each campus.
3. A faculty member shall immediately report any assault in connection with his/her employment to an educational administrator, who shall take timely and appropriate action.
4. The District shall investigate incidences of toxins, hazards, harassment, threats, and violence. The District will take corrective action and file reports to outside authorities to the extent provided by law.
5. The District will inform faculty of known potential physical dangers to the extent required by law.
6. The District Safety Committee shall convene a task force including Association representatives within sixty (60) contract days of ratification of this Agreement to develop a Violence Prevention and Response Program. Program implementation shall begin within one (1) year of initial meeting of the task force.

B. Environment Conducive to Professional Activity

Foreseeable effects on the educational environment shall be considered when planning and scheduling required maintenance, repair, and construction operations. The District will take reasonable steps to mitigate the effects of such operations upon classroom instruction and other educational services.

Faculty shall have access to instructional spaces and assigned offices. Outside of normal assignment hours, faculty shall have access to instructional spaces and assigned offices according to the process at each college campus. Access must be related to professional duties.

C. Student Conduct Problems

A faculty member may suspend a student from his/her class under provisions of Education Code Section 76032.

Article 15 [WORK ENVIRONMENT](#) (continued)

1. A faculty member may remove a student for the day of the removal and the next class meeting. This action shall be immediately reported to the College President or designee for appropriate action.
2. During the period of removal, a student shall not be returned to the class without the concurrence of the instructor of the class.

ARTICLE SIXTEEN - GRIEVANCE

A. Purpose

1. The purpose of the grievance procedure is to secure, at the lowest possible administrative level, and as rapidly as possible, equitable solutions to problems affecting the compensation or working conditions of unit members and the Association. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. No reprisals of any kind shall be taken by the District or by any member or representative of the administration or the Board against any Grievant, any party in interest, any bargaining unit member, the Association, or any other participant in the grievance procedure because of such participation.

B. Definitions

1. A "Grievance" is a claim by one or more unit member(s) or the Association that there has been a violation, misinterpretation, or misapplication of a specific provision(s) of this Agreement. (Informal and formal grievances are defined in Section D of this Article.)
2. A "Grievant" is a unit member(s) specified in **Article 1.B.1** of this Agreement or the Association making the claim.
3. A "day" is any contract day which falls within the academic calendar of the respective college, not including Saturdays and flex days.
4. An "Immediate Educational Administrator" has immediate jurisdiction over the Grievant and is not within the same bargaining unit as the Grievant.

C. Conditions of Grievance Processing

1. The Grievant may be accompanied by an Association representative at both the informal and formal levels of grievance processing.
2. Forms in the grievance process that are personally delivered shall be evidenced by a signed receipt. Forms sent to the last address available in the records of the College and deposited in the United States mail, postage prepaid, return receipt requested, shall be presumed to have been received and read.
3. The Association shall be given copies of any written responses to grievances under this Agreement.
4. The scope of the Grievance is limited to that stated on the Formal Statement of Grievance form.
5. Time Limits
 - a. The time limits specified at each level should be considered the maximum, and every

Article 16 GRIEVANCE (continued)

- effort should be made to expedite the process. The time limits may, however, be extended in writing by mutual agreement.
- b. If a bargaining unit member fails to comply with the established time limits at any time during the formal grievance process, that process will be terminated. However, the Grievant will have one opportunity to refile the original grievance within thirty (30) days of the missed deadline.
 - c. If the employer fails to meet the time limits in this Article at the Informal Level, Level 1, or Level 2, the grievance will proceed to the next level.
 - d. When in the event a Grievance is filed but cannot be processed through all the steps of that level by the end of the school year, and if left unresolved harms a Grievant, the time limits will be reduced so that the steps of that level may be completed prior to the end of the school year or as soon as is practicable.
6. All claims involving salary shall be limited to the specific amount of wages earned and salary corrections will be made within the statute of limitation as defined in the Education Code.
 7. Time limits for appeal provided at each level shall begin the day following receipt of the written decision by the College/District or the Grievant.
 8. All documents dealing with the processing of grievances shall not become part of the official personnel file of the employee.
 9. The District and the Association shall share equally the costs of the arbitrator's fees and expenses and the costs of proceedings as determined by the arbitrator for non-termination arbitrations.
 10. The District alone shall pay the arbitrator's fees and expenses and the costs of proceedings as determined by the arbitrator for grievances on termination (Education Code Section 87677).

D. Grievance Resolution Process

1. **Informal Resolution of Potential Grievances**
 - a. The Informal Resolution Process attempts to resolve the problem through an informal conference with the immediate Educational Administrator within sixty (60) days of the time a contract violation is alleged to have occurred and before a written Grievance is filed
 - b. The Grievant or the Association must notify the immediate Educational Administrator that the meeting is an informal conference relating to a possible grievance.

Article 16 GRIEVANCE (continued)

- c. Following the informal conference, the Grievant or the Association may request, within five (5) days, a written acknowledgement of the informal conference and resolution, where applicable.
- d. The immediate Educational Administrator will provide the written acknowledgement within five (5) days using the Informal Grievance Form in the appendix.
- e. If the immediate Educational Administrator does not comply with the request for the acknowledgement and summary of the informal conference, the Grievant or Association may immediately file a Level 1 grievance.

2. **Formal Resolution of Grievances**

a. **Level 1**

- 1) The Grievant must submit in writing the **Statement of Formal Grievance form** (found on the District’s portal under “Employee Forms” tab) to the immediate Educational Administrator within ten (10) days of the receipt of the written acknowledgement of the informal conference or fifteen (15) days after the request was made. See District’s portal, “Employee Forms” for the **Level 1 Grievance form**.
- 2) The written Grievance statement shall be a clear, complete, and concise statement of the circumstances creating the grievance and a citation of the specific article(s), section(s), and paragraph(s) of this Agreement that is alleged to have been violated, misinterpreted or misapplied, and shall state the Grievant's contention with respect to the article(s), as well as full name of the Grievant, the date of the alleged occurrence, and the date of the informal conference.
- 3) The statement also shall state the specific remedy sought by the Grievant.
- 4) The written Grievance shall be submitted to the immediate Educational Administrator by the Grievant.
- 5) The immediate Educational Administrator shall conduct an investigation of the Grievance and shall communicate his/her decision to the Grievant in writing within ten (10) days after receiving the Grievance. If the Grievance is not settled in favor of the Grievant, the specific reasons shall be stated.

b. **Level 2**

- 1) If the grievance is not resolved with the decision at Level 1, the Grievant may appeal the outcome to the College President or designee within ten (10) days after the decision of the immediate Educational Administrator is given.
- 2) The written appeal must include a copy of the Statement of Formal Grievance

Article 16 GRIEVANCE (continued)

form found on the District's portal under the "Employee Forms" tab and the decision given by the immediate Educational Administrator at Level 1. It must also cite the specific reason(s) for the appeal. See **District's portal, "Employee Forms"** for the **Level 2 Grievance form**.

- 3) Within fifteen (15) days after receiving the grievance, the College President or designee shall conduct an investigation and shall communicate his/her decision in writing to the Grievant. If the grievance is not settled in favor of the Grievant, the specific reasons shall be stated.

c. Level 3

- 1) If the grievance is not resolved at Level 2, the Grievant may appeal the outcome to the Chancellor within ten (10) days after the decision of the College President.
- 2) The written appeal must include copies of the original grievance and the decisions through Level 1 and Level 2 of this procedure and also cite the specific reasons for this appeal. See District's portal, "Employee Forms" for the **Level 3 Grievance form**.
- 3) The appeal shall also state the Grievant's election to proceed at Level 3 by either (1) a meeting with the Chancellor or designee or (2) conciliation by the California State Conciliation Service. The election of one option shall exclude the other. The Chancellor or designee may elect to use a conciliator.
- 4) Where the grievance proceeds by a meeting between the Chancellor or designee and the Grievant, the meeting shall be held within ten (10) days of the filing of the appeal. The Chancellor or designee shall transmit to the Grievant within fifteen (15) days of the meeting a written decision including the reasons for the decision.
- 5) Where the Grievance proceeds by conciliation, a conciliation session shall be scheduled at the mutual convenience of the parties and the conciliator.
 - a) The conciliator shall attempt to find a mutually acceptable resolution to the Grievance.
 - b) The conciliator shall not issue any public statement of fact or opinion on the issue.
 - c) Conciliation or settlement positions of either party shall not be introduced at any other grievance level.
 - d) The Chancellor or designee shall transmit to the Grievant within fifteen

Article 16 GRIEVANCE (continued)

(15) days of the termination of the conciliation a written decision, including the reasons for the decision. If the conciliation has produced a mutually acceptable solution, that solution shall be the Chancellor's or designee's.

- e) All fees and expenses of the conciliator shall be shared equally by the District and the Association if the Association approves the conciliation in advance. Other expenses shall be borne by the party incurring them.

d. Level 4

- 1) If the Grievance is not resolved with the decision of the Chancellor or designee within fifteen (15) days, the Grievant may request that the Association proceed to binding arbitration. The District shall be notified of the decision to proceed to binding arbitration within fifteen (15) days of the receipt of the Chancellor or designee's decision.
- 2) The written appeal must include the original grievance and copies of the decisions through Level 3 of this procedure and cite the reason(s) for this appeal.
- 3) The Board of Trustees and the Association shall concur in the selection of the arbitrator, with the understanding that time is of the essence. If the parties are unable to agree upon an arbitrator within ten (10) days the Association shall file a Demand to Arbitrate with the American Arbitration Association (AAA). The selection of the arbitrator and arbitration hearing shall be conducted under the rules of AAA.
- 4) The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions of the issue(s) submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this Agreement. However, it is agreed that the arbitrator is empowered to include in any award such financial reimbursement or other remedies as he/she judges to be proper. The decision of the arbitrator shall be submitted to the Association and the Chancellor or designee and will be final and binding on all parties.
